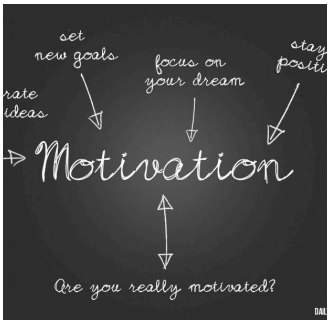
2nd Grade Music Concert

"Motivated" - A Musical Revue



When:

Wednesday, November 19, 2025 - 7:00 p.m

Where:

Savannah High School Performing Arts Center (701 State Rt E.)

Hello! This year's music program is going to look quite different from years past. Normally, the students perform a mini musical but because the performance is moving to the new SHS Performing Arts Center the students will be presenting a musical revue instead. A musical revue is a theatrical production of songs, often combined with dance and intermittent dialogue that are loosely connected by a common theme rather than a single continuous narrative like a musical. Although there are speaking parts available, there will not be any designated costumes or specific characters portrayed in this musical revue.
Attached to this letter is a packet that includes the lyrics to all the songs & the dialogue to all speaking parts so your student can practice at home. All music & dialogue can be accessed online at minnieclinemusic.org.
Auditions will be held in class for part selection.
Visit the Minnie Cline Music website at minnieclinemusic.org for more info**.**

Student 20: but this song's about when we're not in our prime.
